

# 2020 IS COMING!

Southern Nevada SHRM  
Volunteer Initiative!

# VOLUNTEER

Southern Nevada SHRM  
Volunteer Service Initiative!  
*"Many Hands Make Light Work!"*

-J. Heywood

Want to get more engaged and involved,  
*but not quite ready to Chair a Committee?*

**WE NEED YOU!**

## Committee Service

***As a Committee Member, you can volunteer your time and talent to support your profession!***

- Get engaged at a capacity that fits your availability
- Support your profession
- Select an area that interests you
- Meet peers and form lifelong relationships in the industry
- *Committees will be conducting the Planning Workshop in early January 2020*
- *Now is a great time to express your interest as they plan*

Our Chapter recognizes each person's ability to give of their time and talent is unique. As the Southern Nevada SHRM affiliate, we know our organization cannot move the ball forward without our volunteers. The contribution of your time and talent are the very foundation of our Chapter!

We also know, you likely wear many hats and much of your time is already dedicated to your job, home, and family. Those who have an interest in getting involved with our Chapter may shy away from the thought of an additional commitment.

Everyone's contribution counts! We welcome all levels of participation! Whether a one-time volunteer or are a regularly scheduled contributor, we need you!

In what ways might you like to get a bit more engaged? There are lots of ways to help, start small or jump in with both feet, either way, our chapter will be better for it! From offering to help with something as simple as helping greet participants at an event, to serving on a committee or working your way up to serving on the Board of Directors, we need, want and appreciate your support!

**Here are a few ideas to get your wheels turning. If you have a specific idea about how you would like to help, please let us know! Scroll down to fill out the Volunteer Interest form, we are waiting for YOU!**

- Lending your experience and expertise to the Chapter
- Greeting participants at a program, event or mixer
- Make event reminder phone calls
- Set-up or clean-up after events
- Content & Speaker planning
- Joining a committee (or 2!)
