What is Ready Rating?

A free, online, self-paced, organizational emergency preparedness program that helps organizations prepare appropriately, respond effectively, and recover quickly from disasters and other emergencies.

- Measure your organization's current preparedness level.
- Help your organization create or improve its emergency action plan.
- Provide the tools needed so that staff has the knowledge and skills to respond effectively during disasters.
- Track progress as your organization takes steps to improve its ability to respond safer, smarter, and more efficiently during disasters.
- Make getting prepared simple, cost effective, and achievable.

Ready Rating Assessments

Two choices, based on your needs:

- **ReadyGo** - short, 25-question assessment for fast evaluation that focuses on core functions that affect preparedness
- **ReadyAdvance** – comprehensive, 60-question assessment for deeper look at an organization’s response and planning efforts

Completing an assessment generates:

- A score on a scale of 1-100, which measures an organization’s current level of preparedness
- A customized *Next Steps Report*, which outlines the recommended steps an organization can take to improve.

Ready Rating Resource Center

- The *Next Steps Report* recommends specific tools in the Ready Rating Resource Center to help improve your score.
- The Resource Center contains more than 70 “actionable” resources that help members achieve their preparedness goals, including the following resources:
 - Videos on topics of emergency preparedness given by experts
 - Emergency Action Plan templates
 - Job descriptions
 - Reports
 - Checklists
 - Sample forms
 - Presentation decks
 - Whitepapers

Emergency Action Plan Templates

- Use Ready Rating's **Emergency Action Plan Template Tool** to easily create a customized **Emergency Action Plan** that fits your organization's needs.
- Select from two template options:
 - **EAPGo Template:** Standardized topics that address minimum OSHA requirements
 - **Template:** Choose up to 70 additional topics that allow you to go into greater detail
- Both templates can be exported to your computer for customization.
- Rating helps your organization meet and exceed the minimum requirements for emergency action plans set by OSHA.
